

ELCA Chile Relief Efforts

The Evangelical Lutheran Church in America (ELCA) is responding to the earthquake in Chile by working with companion organizations already established in Chile. This means 100 percent of gifts designated for Chile go directly to help the people in that country.

To find out more and donate right now, visit:

<http://www.elca.org/disaster>

Or, you can donate through Living Lord Lutheran. Just write your check to Living Lord Lutheran Church, indicating “*Chile Earthquake Relief*” on your check’s memo line.
